Sayın Müşterimiz,

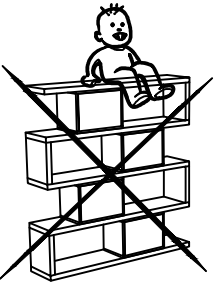

Ürünümüzü, bizim gibi insanların da onları sevmesi ve eğlenmesi için tasarlıyor ve üretiyoruz. Almış olduğunuz ürün tarafımıza göndermeden önce her türlü test ve kontrolden geçirilmiştir.

Montaja başlamadan önce lütfen tüm bileşenleri ve aksesuarları kontrol edin listelere göre. Birden fazla aldıysanız, karışıklık olmaması için ilk ürünü tamamladığınızdan emin olun. Ardından diğer ürünün montajına başlayın.

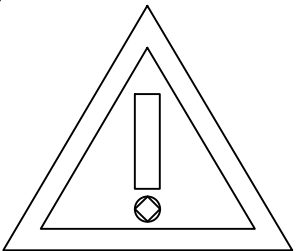

Montaja başlamadan önce lütfen tüm bileşenleri nemli bir bezle temizleyin. Ayrıca olağan temizlik için bu yeterli olacaktır.

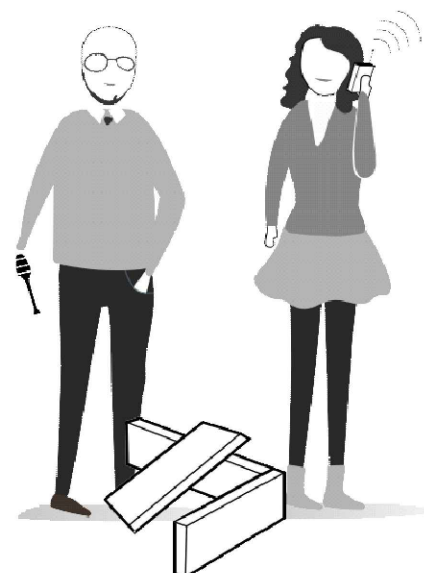

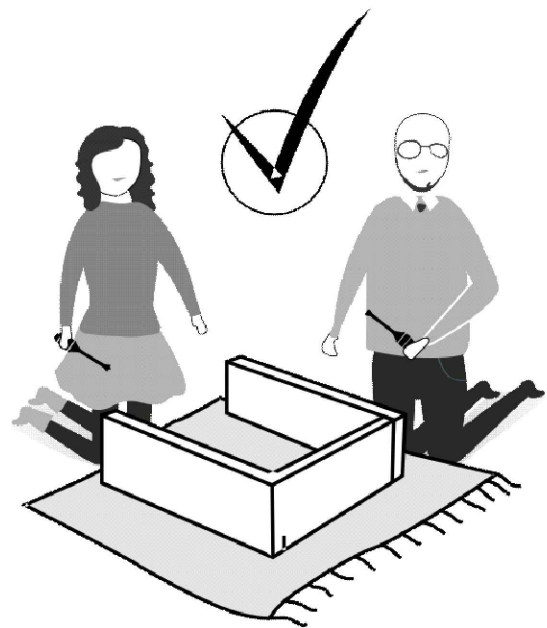

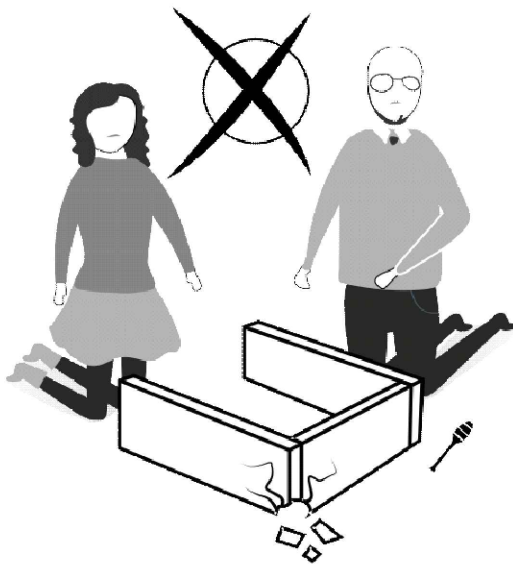

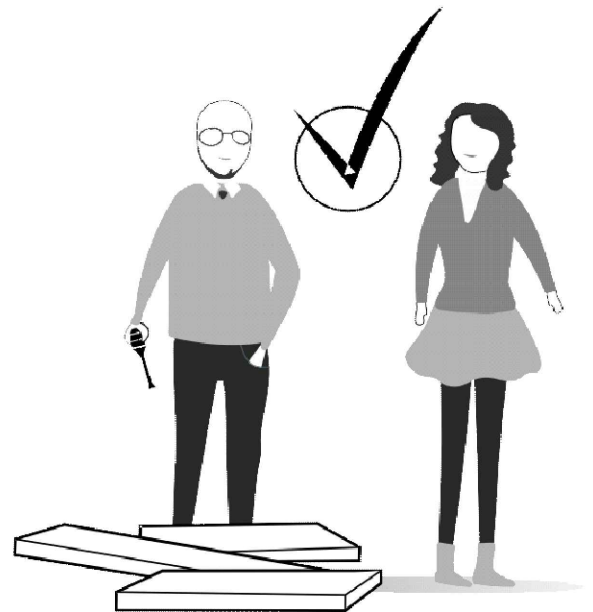

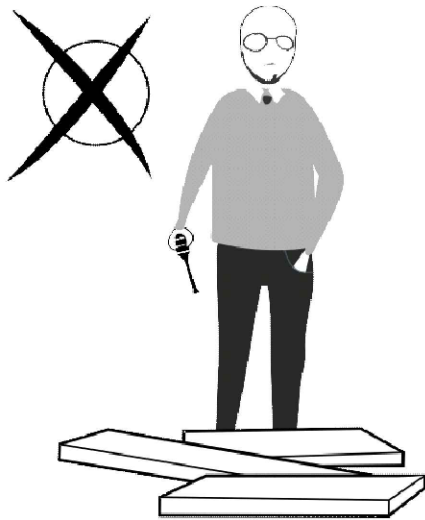

Mobilyaları amacı dışında kullanmayınız.

Ürün etkilenebileceğinden, aşırı sıcak, soğuk ve nemli ortamlardan doğrudan mobilyanızı temas ettirmeyiniz.

## UYARI

Mobilyalarınızın devrilmesi ölümcül veya ciddi yaralanmalara neden olabilir. Herhangi bir devrilme riskine karşı mobilyanız mutlaka ürün içerisinde bulunan aparat ile duvara sabitlenmelidir. Duvarların yapım malzemeleri farklı olabileceğinden mobilyayı duvara sabitlemek için gerekli aksesuarlar ürüne dahil değildir.
